Paper Development Workshop

IIM Visakhapatnam, **IIT Delhi** and **AIS India Chapter** to host a **Joint Paper Development Workshop** for **ICIS 2023**

The International Conference on Information Systems (ICIS) 2023 will be held at Hyderabad, India in December 2023. Leading up to the conference, a Paper Development Workshop has been scheduled on 06-April-2023 at IIM Visakhapatnam.

Target Audience

The workshop is meant for scholars targeting papers (completed research papers or short papers) for submission to ICIS 2023. Papers can either be at a relatively mature stage or early stage that can be developed further in-time for submission to ICIS-2023. Doctoral students, faculty members, or practitioners from any discipline are invited to submit papers related to Information Systems.

Workshop Modalities

✓ Senior scholars and leading IS researchers from premier institutes across the globe will be involved in reviewing the papers.

✓ Authors of selected papers will be invited to present their papers at the workshop, where reviewers will provide detailed feedback.

Submission & Correspondence
